

Shelter Traffic Jam

Quick Wins to Clear the Way and Keep Animals Moving

Rescheduled date:

Nov. 12, 2025

10 a.m.-11:30 a.m. PT

**Dr. Kate Hurley
and Dr. Cindi Delany**

Register now!

Use your phone's camera to scan code.

Too many animals, not enough positive outcomes? Learn how to break the gridlock with harm-reduction tactics you can use immediately. Whether you're frontline staff, a volunteer, in a leadership role, or a veterinary professional, you'll walk away with concrete steps to improve flow, make confident decisions, and protect both animals and your team.
